"BTS is likely to shape up as a season that not's just better than last year, but one that even surpasses 2019. BTS season runs from July to September, CGP is forecasting a 16 percent year-over-year increase in retail sales, sending volume to a record \$780 billion. On a two-year basis, BTS spending is expected to grow 25 percent from 2019's \$624 billion pace. "

Game day seemed to require that style be sacrificed for an unspoken uniform—a school T-shirt and jeans. But it doesn't have to be this way—we can dress a little more fashionably, even for games. Some favorites include: crop tops, unique tie-dye styles, plaid button-ups and the “not just for fishing” shirt.
